Principal’s Message

Across Queensland all schools are in the process of goal setting and setting student improvement expectations. To reach high expectations students at Scottville set goals. Their goals might be about how they listen in class. How they form the letter T or how many adjectives they use in their power writing. It might be a goal to complete their times tables in maths, or read every night, but by setting goals students are setting themselves up to improve.

At Scottville all of our students set goals across all classrooms using our data books and data wall displays.

Teachers set targets for student improvement and always look to support improvement in the classroom.

We have 5 questions we ask students to think about
What are you learning?
How are you doing?
How do you know?
How can you improve?
Where do you go for help?

These questions can help students achieve their Green days for learning and be rewarded for improvement.

Our Behaviour focus this week is: Be Responsible for our environment.

Let’s keep our classrooms tidy and school grounds plastic free for a better and healthier school environment.

90TH Anniversary Fete

The P&C are in the planning and organising stages for the 90th Anniversary Fete. Your contribution as a parent or family of Scottville State School will be greatly appreciated. This support can occur in a variety of forms, be it sending in resources for the classroom stall or volunteering on the day.

If you are interested in helping with the organizing of the 90th Fete your time and energy would be valued.

You can contact Mr Coffey or Karla Fisher P&C president at the school office.

Harmony Day

Our school will be having a free dress day on Friday March the 21st. A Gold coin donation will go towards supporting our student council projects. Come to school dressed in your costume or symbol of country of origin, your favourite sports or what you identify with.

Thanks to these people for helping our school community
Thanks to all the volunteers at the Tuck shop…you make Friday the best day for the kids!

Thanks to Mrs Diprose, Mrs West and Mrs Grant for help in the Year 4-7 class during literacy.

Thanks to Bob and Tony their snake charming.

- **Parent and Student information**
  - Parents are required to transport their own child or organise transport with another parent to Whitsunday District Sports.
  - Parents are required to fully supervise their own child and any other child/children they transport to Whitsunday sports.
  - Students must be aged 10 years or above in 2014 to compete in sports except swimming which they must be aged 9 years or above in 2014.
  - Please note that venue/date set for sports at time forms come home are subject to change.
  - Parent helpers are encouraged to assist with training. If you can help, please see the staff representative in charge of that sport.

- **WHITSUNDAY TEAM SELECTION**
  - Please note that when the Whitsunday team is selected, sometimes a child that does not participate on the day of Whitsunday Trials may be chosen.
  - This child can be chosen because the rules of NQ Sports allow it.
  - If the child represented Whitsunday in the previous year they are automatically eligible for selection.
  - However, this child must be present at the Whitsunday Trials and must have a medical certificate outlining their condition and time frame before they are fit to play.
Year 2/3 Science

This term students have been studying Biology. They have learnt about living and non-living things. They are investigating plant and animal life stages and life cycles.
Katrina Diprose is the overall winner at the Lions Youth of the Year 2014 in our district. Katrina and fellow student Jessie McPhee competed against Collinsville State School and St John Bosco School in the Junior public speaking competition on the subject of ‘Should Year 7 go to High School?’

Katrina’s speech gave her the overall winner on the night.

A big thank you to the Lions for hosting the Youth of the year.

Scottville’s first school, while described as ‘roomy enough’ was roofed with iron and possessed of a hardwood floor. The walls were made of bags which were sewn together. This temporary building was constructed by Ted Martin and voluntary labour in 1924, and lasted until the new school was built in 1925.

Asthma Australia
Back to School: being prepared for asthma

The beginning of a new school year is the busiest time of year for schools due to the new arrival of students and staff. It is also a time when schools should be extra vigilant about students with asthma.

February and May are common times when students with asthma can experience worsening symptoms, or possibly a life-threatening asthma attack. This is due to student exposure to colds and viruses over the school holidays, and a possible lapse in the routine administration of preventer medication.

DOES YOUR CHILD SUFFER FROM ASTHMA?
DO YOU HAVE AN ASThma PLAN AT YOUR SCHOOL?
PLEASE SEE THE OFFICE FOR MORE DETAILS.
Scottville State School
90th Anniversary Fete

The students at Scottville State School are preparing for the 90th Anniversary fete and we are asking all families if they could support the school by donating various items for the Lucky Dip and Bottle Stall.
Prep/1 Class- Lucky Dips

Lucky dips are irresistible to most children. Some suggestions for prizes include hair clips, hair sides, ribbons, necklaces, earrings, rings, match box cars, Lego, Texatas, Noto pops, Tattoos, small figurines and any other small gifts.
Lucky dip items need to be wrapped and labeled boy or girl depending on the item and handed to Ms Stokes.

Year 2/3 Class- Bottle Stall
Please support us by collecting empty bottles and jars and filling them with various items.
Some ideas for filling bottles include:
- Coloured pencils, crayons, small activity pad, felt pens, beads with string or wire to make jewellery, marbles, pencil sharpener, rubber. McDonalds toys, hair ribbons, scrunchies, dips, comb, brush, sticky tape, drawing pens, small post it notes, whiteboard marker, paper clips, rubber bands, lollies, chocolates
- Bath bombs, bath crystals, soap, hand cream.
- Make up - unused make-up samples, cotton wool, cotton buds, lip gloss.
- Nail file, nail polish, hand cream, nail clippers, cotton wool
- Nails: screws, bolts, screw driver, tape measure
- Small candles, potpourri
- Perfume, bath salts, bubble bath
Please send all of your items for the bottle stall to Miss Faust in the year 2/3 classroom.

Most of these items can be sourced at discount stores such as: Dollars and Cents, The Reject Shop, Crazy Clarks and Big W. We appreciate your support to make this a 90th Anniversary to remember.

$500.00 DONATION FROM MCU - THANK YOU VERY MUCH
After the Xmas party in 2013 MCU (Mining Communities United) were left with approx $17,000... They have decided to put some of the money back into the community. Donations were made to the Collinsville Youth Coalition, St Vincent De Paul, and to all the schools and the kindergarten in the Collinsville area.
Each school received $500 which due to school numbers being at a low this year which reduces funding and resources and staff numbers and they hope this donation can help in some small way. Scottville State School received $500 which will be used to fund more office hours at our school. P & C would like to thank MCU for their generous donation.

WORKING BEE
There will be a working bee at the school on Saturday 29 March, starting at 8am. Please come along and help.

TUCKSHOP
Helpers are needed for our tuckshop. If you can help please let the school office know. Your help would be appreciated.

90TH ANNIVERSARY FETE AND BBQ - PARENT HELPERS NEEDED
There will be a parent roster on the P & C notice board for all stalls. Please fill in your name and the time you can help, on the notice for the stall you would like to help out at.

NEXT P & C MEETING WILL BE HELD ON TUESDAY 1ST APRIL

Parent Volunteer Helpers Welcome
We invite any parents who have some time during the school week to please become a parent volunteer helper. It is a task which can be quite frightening but very rewarding and you will be getting a first hand view of the demands of all the new challenges school provides for your child each and every day. Prior to starting you will need to read and sign a school confidentiality agreement which you can pick up from the Administration Office.

Thought for the day:
The essence of mathematics is not to make the simple complicated, but to make the complicated simple.
