Principal's Message

Reporting and Parent Interviews

This Term we will be sending Semester One school reports home on the 25th of June.

The information contained in the report is a summary of your child’s achievement in learning areas studied over the reporting period. The ratings awarded are for that reporting period. Our school will also carry out reporting in Semester two.

The report is one of a number of strategies used by our school to communicate with you throughout the year about your child’s achievement, effort and behaviour. Parent teacher interviews are also offered to discuss your child’s progress. These interviews will be occurring at the beginning of Term 3, dates will be confirmed shortly.

School Excursion – The Coalface Experience.

On Tuesday the 3rd of June Scottville State School will be visiting the Collinsville Coalface Experience Museum as part of their History Program. Students will be visiting the Coal Face Experience displays and show as well as listening to stories from local miners and investigating the technological change over time in Collinsville. There is no cost for this excursion. Please ensure you have returned the permission form for your child/ren.

Be a Flu Fighter.

As winter begins and we wave goodbye to Autumn, please ensure you wrap up warm and follow some simple rules for staying Healthy over Winter.

Cover every sneeze and cough to fight germs.

Throw old tissues in the bin.

Wash your hands or use hand wash

Be Committed to Learning

Remember to ask your child about their data wall and about their improvement this term.

**Safety Awards:** For being safe at all times.

Jayme Chapman, Skyra Goody, and Ella Binkley.

**WELL DONE EVERYONE!**
Happy P & C Day was on Friday 23/05/14. We acknowledged our wonderful P & C at parade with a small presentation to them and by giving them a huge applause. We at Scottville State School value the contributions that P&Cs make in assisting our schools deliver quality educational outcomes. THANK YOU!

WALK TO SCHOOL DAY

Scottville State school children enjoyed participating in the Walk Safely to School Day held on the 23rd May 2014. Walk Safely to School Day (WSTSD) is an annual, national event when all Primary School children are encouraged to walk and commute safely to school. It is a Community Event seeking to promote Road Safety, Health, Public Transport and the Environment. The children enjoyed a wonderful healthy fruit breakfast on arrival back to Scottville School. A huge thank you to Mrs Kelly (Tuckshop) for helping prepare the platters.
National Reconciliation Week celebrates the relationship between Aboriginal and Torres Strait Islanders and all other Australians. Every year, the week is held between the same dates, 27 May to 3 June. The dates draw attention to significant historical events. The 27 May marks the day in 1967 when the referendum was passed for the Australian Government to make laws for Aboriginal and Torres Strait Islanders and to allow them to be recognised in the census. The 3rd June marks the day in 1992 that led the Australian Government to recognise native title and acknowledge Indigenous Australians as the original occupants of Australia.

SATURDAY SPORT
Saturday sport is on each Saturday at Collinsville State School from 8am - 10am and according to the students, has been; "extremely fun". We have recently been engaging in a range of athletics skills including long jump, discus, shot put and tunnel ball. In addition to athletics skills, we have played a number of 'game sense' games centring around the district sports such as softball. There is a big surprise this weekend courtesy of the Ten Pin Bowling Centre in Mackay who have been kind enough to lend us a full kit for Prep- Year 7 to use. **Remember to bring your hat and WATER.**

JUMP ROPE FOR HEART
Heart Foundation Jump Rope is about teaching school children how to keep fit and healthy. Conducted by the school teacher, children learn physical activities like rope-jumping to improve strength, gaining confidence and stamina to extend their physical abilities elsewhere. Students who participate in Heart Foundation Jump Rope for Heart have lots of fun with their peers. At the same time they are learning about helping save Australian lives by asking family and friends to sponsor them for being a part of this fun program. Funds raised go towards research to help the fight against heart disease and stroke in Australia.

I will be handing out the JRFH competition booklets this week (week beginning 26th May)

Our Jump off day is to be in the last week of Term 2. Date to be advised.

Adrian Kass
HPE Specialist – Scottville State School
In maths the Year 1 class have been partitioning numbers. That means we break them up into parts and represent our number in different ways. This helps us to understand place value.
Thought for the day:
“Books are the quietest and most constant of friends: they are the most accessible and wisest of counsellors, and the most patient of teachers.”
by Charles William Eliot.

31st May - Golf as usual Saturday
Practice Monday 3-5.
7th June. - No Golf Saturday

School Jumpers

School Jumpers have arrived and are available in all sizes. Please see the office if you require one. Cost $25.00 each.

Boar Hunt

Please return canteen rosters for Boar Hunt asap if you can assist.

Tuckshop

Helpers are urgently needed for our tuckshop for Term 2 & 3. If you can help please let the school office know. Your help would be appreciated. If we do not get helpers, then we will no longer be able to have tuckshop.

Collinsville Connect website has had a facelift! We’re still the best place to search for businesses, community groups and events in Collinsville, and we have added some new features such as a community forum and a calendar full of community events! We’ll also keep you up to date with the latest news from CCT and Collinsville. Have an explore and enjoy – and make sure you drop by the guestbook page and leave us your thoughts!

Currently we are asking all individuals including businesses and community clubs & groups in Collinsville to check their online listing to make sure the information is current and accurate.

You can do this by accessing www.collinsvilleconnect.com.au and search for your organization in the CCT keyword search box, click on your link and check your details are up to date. If your group is not on the site or you have any issues please don’t hesitate to call us on 07 4785 6934 or call in to the Telecentre and we will endeavor to help.

Do you have an old mobile phone ???

Would you like to donate it to a project that the Collinsville Connect Telecentre & Collinsville State School is working on with our Rwandan PenPals?

The hope is that our old phones might be useful to them when considering how to use Information Communication Technologies in their very challenging education sector.

If you can help please drop them into the Telecentre or the Collinsville State School (including power cords) so we can send them off as soon as possible...

Thanks for your help ;)}
