Great state. Great opportunity.
Principal's Message
Term two has passed us by in a wink of an eye. What a wonderful and eventful term it has been. Our 90th School Fete was an amazing show of community and Scottville history. We had NAPLAN, we had our school excursion to the Coalface Experience, where our students happily ate an old fashioned miner’s lunch. We also had a very successful Athletics day and an outstanding result at our Cluster Athletics day. Thank you to all our teachers, teacher aides, administration staff, P&C and parents for a great Semester One. I wish you all a restful and safe break and look forward to Semester Two.

Reporting
This Term we will be sending Semester One school reports home on the 25th of June.

The information contained in the report is a summary of your child’s achievement in learning areas studied over the reporting period. The ratings awarded are for that reporting period. Our school will also carry out reporting in Semester two.

The report is one of a number of strategies used by our school to communicate with you throughout the year about your child’s achievement, effort and behaviour. Parent teacher interviews are also offered to discuss your child’s progress.

Parent Interviews
These interviews will be occurring at the beginning of Term 3. The interview dates are Wednesday July 16th and Thursday July 17th. Interview slips will be sent home with school reports on the last week of Term 2.

These progress and improvement parent interviews are an important process allowing our teachers, students and parents to work, plan and celebrate together.

We look forward to seeing you on the interview dates. If you are unable to attend these interviews, please contact your teacher or the office to set up a telephone conference or an alternative date.

A+ Day
I am proud to inform you that all students (100%) will be able to attend the A+ day in Bowen on Friday. Thank you to all staff and parents for supporting our school rules and expectations.

See our notice boards for up and coming events and Information!

Every Day Counts
Our goal for Semester one is 95% We nearly hit our goal for attendance, being only .5% away. That’s as easy as all students being at class for one day. Thank you parents for getting your children to school. Keep it up for Term 3.

School Opinion Surveys
The school opinion surveys for 2014 will be distributed in the first week of Term 3.

Your response and feedback to this survey is a vital part of our annual school improvement plan and supports us to make our school the best school it can be.

SCHOOL VACATION

School Watch
Help us keep an eye on our school these holidays. If you see anything suspicious please don’t attempt to intervene but instead call the School Watch number on 131788. Let’s work together to help create a safer school community.

 Regards
Rowan Coffey
Acting Principal

Be Respectful  Be Responsible
Be Safe  Be Committed to Learning

Our Focus this week is:
‘BE SAFE’
WEEK 9 - TERM 2

There was no parade or Students of the Week due to the Interhouse Athletics Carnival.

WEEK 10 - TERM 2

Principals Award: Hamish McLean for following the Be Responsible rule.

Super Readers: Matilda Lee, Joanna Villigas and Sam Jones

‘GOTCHA’ Award: Sharni Wallace and Jessie McPhee

Student of the Week:

Caley Fordham for being a great helper in the classroom.

Alana Goody for always persisting with assessment and completing it to the best of her ability.

Levi Bull for being responsible at the District Athletics Carnival.

Safety Awards: Tristan Taylor: Being safe in the classroom and the playground.

Keely Caddies: Being safe in the classroom and the playground.

Decy Jones: For being safe during the Interhouse Athletics Carnival.

WELL DONE EVERYONE!
**In a NUTSHELL...**

Practical and positive advice from your school’s Guidance Officer!

**THIS WEEK: How does your child learn best?**

Is your child an auditory, visual or kinaesthetic learner? That is, do they learn by hearing, seeing or doing? Try and find out their learning style and use the tips below to target each:

<table>
<thead>
<tr>
<th>Auditory (hearing)</th>
<th>Visual (seeing)</th>
<th>Kinaesthetic (doing)</th>
</tr>
</thead>
<tbody>
<tr>
<td>- Have your child record themselves reading and play it back</td>
<td>- Take notes using different coloured pens/ use highlighters</td>
<td>- Help him/her look for ways to make learning ‘hands-on’ – use concrete objects to explain things</td>
</tr>
<tr>
<td>- Use rhymes, songs and acronyms to learn new concepts</td>
<td>- Use charts, graphs, pictures and videos to learn new concepts</td>
<td>- Allow for study breaks and some movement in between learning</td>
</tr>
<tr>
<td>- Suggest he/she talk himself through problem “Let’s see first we multiply then we...”</td>
<td>- Use flashcards during revision time</td>
<td>- Boost your child’s creativity and self-esteem by making things</td>
</tr>
<tr>
<td></td>
<td>- Talk with him/her about looking at the teacher when they are speaking</td>
<td></td>
</tr>
</tbody>
</table>

Consider what learning style suits your child best in order for them to reach their full potential.

- *Miss Ross*
LIGHTNING were the overall winners on the day with 801 points and THUNDER took out the best support house with 403 points

AGE CHAMPIONS
2009 (5 yr Girls) Joanna Villegas

2002 (12 yrs Boys) Levi Bull - 56 points - Thunder
2001 (13 yrs Girls) Jessie McPhee - 56 points - Lightning
2001 (13 yr Boys) Nil
Well Done all who participated.
In Term 2 for English, Year 5, 6 and 7 have been required to make an animated movie about an ethical dilemma such as stealing, murder or cheating.

For this assessment, the students have been using a specific app on the iPads called iMovie. This allows them to make either a trailer or a short movie by selecting what pictures they have taken on the iPad. Students have used Lego for the construction of their sets and their characters for their movies also.

The students have thoroughly enjoyed using the iPads and creating their own movies. Who knows, maybe one day we will be watching a blockbuster, Oscar-winning movie created by a student from Scottville State School.
On Tuesday 24th June, Scottville State School Collinsville State School and St John Bosco School all came together to participate in the Collinsville District Primary School Athletics Carnival. Students competed school against school in a wonderful day of Athletics. Each school were exceptional in their behaviour and team support and had a wonderful day. Scottville State School were the overall point winners on the day. Scottville also took out the Aggregate Trophy on the day. This trophy is given when you take the total points of the team, and divide it by the number of students who participated.

Thought for the day:
“Always remember that a life without struggle is a life without success. Don’t give up and learn not to quit”

Collinsville Connect website has had a facelift! We’re still the best place to search for businesses, community groups and events in Collinsville, and we have added some new features such as a community forum and a calendar full of community events! We’ll also keep you up to date with the latest news from CCT and Collinsville. Have an explore and enjoy – and make sure you drop by the guestbook page and leave us your thoughts!

Currently we are asking all individuals including businesses and community clubs & groups in Collinsville to check their online listing to make sure the information is current and accurate.

You can do this by accessing www.collinsvilleconnect.com.au and search for your organization in the CCT keyword search box, click on your link and check your details are up to date. If your group is not on the site or you have any issues please don’t hesitate to call us on 07 4785 6934 or call in to the Telecentre and we will endeavor to help.
