Principal's Message

NAIDOC Week

Our Naidoc focus this year has been on celebrating mathematics in the classroom. Scottville is proud to be part of The Dreaming Big Maths challenge and enjoying solving some deadly maths problems.

U8's Day

The Under 8’s Day is being held at Scottville this Year and is on Wednesday the 6th of August. The theme is Super Heroes and the day will run from 9.00 –12.00.

A letter will be sent home this week with details of the day including ordering of lunch on the day.

All parents are invited to join us on this day as we celebrate all the great things that happen in Junior school.

School Opinion Survey

A reminder that you should have received a School opinion survey form last week. All staff, parents and a selection of students are being requested to fill out this survey.

The school opinion survey is now active. This survey is of great importance for our school’s strategic planning. Please network with parents to complete this form.

If you are unable to complete this form at home we are offering our schools ‘online resources for parents. Please call the office if you require support or need a computer to work on onsite to complete the survey.

Tuck shop – Special Menu Tuesdays.

We now have Tuesday ‘SPECIALS DAY’ TUCKSHOP as well as Friday tuckshop. Each week there is a new food and ONLY this food is available on the Tuesday. No other items are available on this day, only drinks. Please make sure you are aware of the changes and if you wish to order for Tuesday, that your orders will need to be in on the Friday before.

Discipline Audit

Our school will be carrying out a discipline audit on Monday the 11th of August. This audit will be focused upon our management of student behaviour and wellbeing and the processes we have in place to provide a consistency of educational delivery at Scottville.

See our notice boards for up and coming events and Information!

Attendance and absentee notes

Please remember that an absentee note is expected when your child is away from school. A short note stating the reason for the absence is appreciated and allows us to evaluate our attendance data with greater accuracy.

Our Term goal is 95% for the whole school. It's as easy as getting every child to school just for a few days to help us reach our goal. Your support with this is much appreciated.

The gardening club continues to be a great success every Tuesday with students from all classes getting involved and getting their hands dirty. The gardening club is led by Mrs Lyn West (our grounds person) where she supports students interest in everything environmental. Mrs West has asked that if parent/carers have any 1.25 litre plastic bottles to make hedgehogs for the garden and also if anyone has spare small gardening tools (child suitable) and Seasol/Fish Emulsion lying around in their shed, plant cuttings of Geraniums, Bromeliads, or spare punnet flowers that they would like to donate to the children for their garden. Parents/Carers are invited to be part of the gardening club and can come along every Tuesday from 10.45 - 11.15am to watch the children in action or perhaps help in the garden. See you there! A big thank you to Mrs Kelly for the mulch and to Mr and Mrs Honnery for donating some of the teacups for our garden. It is very much appreciated.
Our Year 4 – 5 students are investigating Multiplication and Division, and we are using our Thinkboard to understand and use Algorithms everyday.
This week marks the beginning of HPE classes for Semester 2! This term will be a busy one with lots of curriculum to cover and a variety of physical education components to engage in. We will be covering the Daniel Morcombe unit this term with a focus on recognising unsafe situations such as bullying and subsequently educating students on strategies to recognise, react and report. The Queensland government together with the Morcombe family have created a range of comprehensive resources to help teachers such as myself to help educate students on keeping safe at school and in the wider community.

In physical education, I have a great line up of sports including components of the Jump Rope for Heart program and Cricket for the 4-7 age group.

**Jump Off Day for Jump Rope for Heart will be on the 30th July 2014 so make sure you have your sponsors prior and return your form by the Wed 6th August 2014 after collecting your sponsor monies.**

In addition to these sports, I also have sections of the ‘Hot Shots’ Tennis Australia program for the Prep-3 classes which will be lots of fun for them!

Therefore, a major focal point this term in HPE is helping students to understand how to keep safe in a variety of situations and to further develop a range of fundamental motor skills through skipping, cricket and tennis for the Prep-3.

This year has been very rewarding for me thus far and I am so grateful for the parent helpers who assist at the after-school and Saturday sport. I look forward to working with your children this Semester with the desire to help them grow and develop through this crucial time of their lives.

As we are approaching the middle of winter, please ensure your child has a jumper/hoodie to keep warm. As always, remember to pack your children a healthy lunch, water and a wide brimmed hat to protect their faces from the sun"

1. We were successful in raising $102.00 in our free dress day for Connor Howse. Connor is from a local Collinsville family and he has cancer and is having treatment in Brisbane. We have asked Mr Coffey to pass this onto P & C to give to Connor’ Howse family.

2. Our next fundraiser will be the Jeans for Genes Day on the 1st August 2014. Please wear your jeans or jean clothing (no tatty or holey clothing allowed) on this day and bring a gold coin donation to wear it. All funds will go to raise money to help children with genetic disorders.

DVD AVAILABLE

If you would like a copy of the 90th Anniversary Vimeo Album, please see Sue and her helpers at the Collinsville Connect and you can purchase one for $25.00 or give them a call on 47856934.
P & C Meeting: Next P & C Meeting is the 6th August 2014.

CRICKET DAY
Cricket Day is now set for the Saturday 6th September – start getting your team together now.

TUCKSHOP TERM 3

There is a new tuckshop menu for Term 3 and you would have received it on Monday this week. If you have not received yours, just ask at the office for a new one!

The new menu is similar to our Term 2 menu but with one big difference. Tuckshop will be available twice a week. We now have Tuesday ‘SPECIALS DAY’ TUCKSHOP as well as Friday tuckshop. Each week there is a new food and ONLY this food is available on the Tuesday. No other items are available on this day, only drinks.

Please make sure you are aware of the changes and if you wish to order for Tuesday, that your orders will need to be in on the Friday before.

UNDER 8’S DAY TUCKSHOP

We will be opening the Tuckshop on Wednesday for Under 8’s Day on the 6th August and there is a Special Under 8’s Day menu for this day which will be sent home next week.

Normal tuckshop will also be happening on this week as well so please be aware that you need to order on the Friday before for the Tuesday for the ‘Specials” and for the Under 8’s Day tuckshop. Friday tuckshop that week can be ordered on the day.

To simplify for this week see below:

5th Aug—” Specials Day” - Order on the 1st August
6th Aug - Under 8’s Day - Order on the 1st August
8th Aug - Friday Tuckshop—Order on the Friday 8th Aug.

All orders are to be placed in the tuckshop box at the office.

Many thanks
Belinda Kelly - Convenor
