4th September 2014

Principal's Message
Scottville State School charter for success.

All students celebrate Literacy is our focus upon improvement in Literacy for all students. Every student has a data wall for learning. This allows every student to know how they are doing, set goals for improvement and celebrate success when hitting a target for reading, spelling or writing. Teachers link the data walls to the targeting of students and for case management for learning. Every 5 weeks our teachers reflect and strategically plan to target students for success.

NAPLAN 2014

Our NAPLAN results have arrived and you should have received a student report if your child is in Year 3, 5, or 7.

On the whole our results are fairly pleasing, our Year 3 and Year 5 cohort are at national levels for reading, writing, spelling and grammar and punctuation. Year 7 are at National and State levels for reading and writing. However our Numeracy results across the 3 Year groups (3,5 and 7) are below National and State levels for this year's NAPLAN testing. These results will feed into and be acted upon as a focus in our improvement agenda for 2015.

If you have not received your child's results or wish to discuss your child's results with the school please contact our administration to arrange a time to meet.

Scottville Superstars

Congratulations and well done to Kristal Chapman and Decy Jones for placing 6th in the NQ trials in their respective sports.

Well done to the following students for hitting their targets for literacy. These students have been to see the principal this week to update the Principal’s data wall... Matilda Lee, John Villegas, Delta Phillips Milli Jones and Decy Jones.

See our notice boards for up and coming events and Information!

Book Week at Scottville

Next week is Book Week at Scottville. We will be opening the library everyday next week to sell and celebrate books.

On Wednesday 10th September students and family are invited to the Book Fair dress up as your favourite character day parade.

Grandparents Day

Grand parents day is on Wednesday 10th September. All grand parents are invited to enjoy a morning at school and have a cup of tea and a yarn with the school staff.

Cricket Day

Don’t forget to sign up for our community P & C Cricket day on Saturday the 6th of September. Be warned the teachers have assembled a deadly team this year.

Shooting of animals on school grounds (kangaroos)

There has been 2 incidents of shooting animals on our school oval. The animals have been killed after school hours, however the carcass of the animals has been left on our school oval. I am aware of the need to cull pests in our community, but would appreciate the carcasses being removed from school premises.

Week 8 attendance

Every Day Counts. Our goal is 95%

**Remember when you believed in anything and everything?**

Researchers from the University of Western Australia are investigating children’s tendencies to being tricked, fooled and misled by their peers. We are looking to see how this develops in children, and when children outgrow this.

We are looking for parents of 10 – 11 year old children across Australia to complete an online survey (15 – 20 minutes). Participants will go into a draw to win one of 10 $50 gift certificates to Coles/Myers. To participate go to:
