**4th August 2016**

**Principal’s Message**
You could never say Scottville is a boring place. Over the last 2 weeks we have had sports carnivals, deadly animals, deadly dancers and free dress days. I would like to personally thank the P&C and community members for their great work supporting our students on NAIDOC day. A big thanks goes out to the Tuck shop for the great work feeding all our schools. I would also like to thank all staff and staff from all the education sites in Collinsville and Scottville for making our day a wonderful shared experience.

**Whitsunday Athletics**
Good luck to all our competitors for next Tuesday. Enjoy your day and show the Scottville spirit when competing.

**North Queensland LOTE competition**
Good Luck to Lily West who is competing in the North Queensland LOTE (Japanese language) competition in Townsville this week. I am sure you will do Scottville proud.

**State Tennis Competition**
Good luck to Jack Groocock who is competing in Brisbane this week with the NQ Schools Tennis Team at the State Tennis Trials. Be the champion we know you are.

**Annual Cricket Day**
Our Annual P & C Cricket Day is on Saturday the 27th of August 2016. Get your bowling arm ready and set your team up. Please contact the office to register your team or see Karla Fisher. Check out P & C and Scottville State School Facebook page for further updates.

**Annual Parent School Survey**
Thankyou to parents and staff who participated in the school opinion survey. Your feedback is essential in helping our school plan for the future.

**Transition to High School**
Please note the Year 6 students will be taking part in the transition program kindly offered by Collinsville State High School. Even if your child is not attending Collinsville High School, the transition program is designed to support any transition to any school. Students will be transported by the free community bus from Scottville to the high school and back. If your child is to be picked up from Collinsville High School please contact the school ASAP to ensure we have knowledge of your pick up from school intentions.

**NAPLAN results**
Our NAPLAN results have been released to parents. Provisional data look positive, especially for reading, spelling and writing.

**Attendance and absentee notes**
Please remember that an absentee note is expected when your child is away from school. A short note stating the reason for the absence is appreciated and allows us to evaluate our attendance data with greater accuracy.

Students and staff were amazed and educated by the Deadly Australian visit to Scottville State School. Students were able to handle the animals and were also taught about being safe around animals. They were also shown how to perform first-aid if bitten and what to do in this emergency.

Thank you Deadly Australians, what a great visit!!!
