Principal's Message

It is this time of year that reminds me that Scottville State School is a great place to be. Last week we had an enormous amount of fun during Book Week. We celebrated reading, enjoyed a play, dressed up as a book character and read to every adult we could find.

A big thanks goes out to our Librarian Mrs Briffa for going the extra mile to make the library fantastic and to our staff for getting into the spirit of the week.

Last Saturday was our major fundraising event of the year the Annual Cricket Day. We had 7 teams battled it out to be winners for 2016. It was a pleasure to see the Scottville community get together and enjoy a fun packed day. Big thanks goes out to the P&C and to the Scottville families that helped out on the day.

A+ Day Term 3

The student council has decided that Term 3 A+Day will be a treasure hunt day. There is also a plan to have an evening BBQ, fire and night time games. A note will be circulated in the coming weeks.

Fathers Day Stall

Our P&C Fathers Day stall will open on Friday. See price list in this newsletter for all the goodies that are available.

Footy Colours Day

This Friday wear your Football colours to support the Cancer Foundation fight against cancer. Gold coin donation towards Cancer Foundation.

New standardised note for Absentees

Currently we are implementing a standardised note for late arrivals, early leaving and absences.

A standardised note is attached to the newsletter and available from the office. If a child is away from school and the reason is categorised as unexplained, a note will be sent home to be completed and returned by the next day. Our goal is to keep this process simple and we have designed a quick tick and flick approach to the process. The use of this standardised note system is to better track our absences and allow families to communicate simply when a student is absent. I would like to thank the P&C for their support with this and I look forward to your support as a community also.

Behaviour Focus

Our Behaviour focus for this week has been based on Be respectful towards one another, being aware how to pay others a compliment.

Next week our focus is on being responsible in the classroom.
