Principal’s Report: (Please see below)

General Business:
- The new outside play equipment in the Prep/1 play area currently has no shade cover. It was requested that a new shade sail be bought at a cost of $249, along with 2 x 8m poles and 4 bags of rapid set cement. Moved: Chrisop Drinkwater 2nd: Kirsty Cameron.
- We will hold a Christmas Stall for the students on Friday 7th December. Susan to order the products. Moved: Anna Jones 2nd: Karla Fisher
- There will be no disco/movie night this term due to the busyness of Term 4. Moved: Melanie Bray 2nd: Barbara Diprose
• The issue was brought up again about the concern that the 2/3/4 class does not have air conditioning. Lauren has informed us that the cost will be approx. $16,000, and the State Government has said that they will provide these funds.

• The school has asked if the P&C wished to provide the lunch on A+ day. Due to many parents being unavailable to help on that day it was decided that we would be unable to help. Moved: Karla Fisher 2nd: Kirsty Cameron

• We have offered to donate one of our tuckshop day proceeds to Joanne and Ben. The tuckshop day chosen was Friday 23rd November. Moved: Barbara Diprose 2nd: Anna Jones

• We had originally asked the school if we could apply for a grant for a shed to be used for a new tuckshop building. This was agreed to. However we found out that we would need an architect to draw up the specialised plans and there was a huge amount of building codes that had to be complied with. It was decided that the option was too costly for us. It was also discussed as another option to put a demountable building behind the tuckshop/sports equipment room, as that area is at present only garden area. The school agreed to this but advised that we would need to look into regulations. We will seek to apply for a grant from the Casino Gambling Fund. Moved: Karla Fisher 2nd: Anna Jones

• It was suggested that instead of the Tuckshop ordering in any more stock we would use the last of the stock up in the last few remaining tuckshop days. Moved: Kirsty Cameron 2nd: Melanie Bray.

• It was suggested that a water tank off the hall building with 2x 500litre pumps could be applied for through a Sonoma Coal grant. Moved: Sue Carmody 2nd: Karla Fisher

• The groundskeeper has asked if the P&C would provide pvc pipe for the sprinkler systems, decking oil, new shelving and an air compressor. Moved: Karla Fisher 2nd: Melanie Bray

Closed@ 4:15pm. Next meeting Tuesday 11th December 2012.
