- Develop a learning plan for every student performing below NMS in reading.
- Improve teacher capacity through focused PD to improve student outcomes in reading.

Our strategy will be to

The Collinsville Cluster of schools incorporates Collinsville state School, Collinsville State High School and Scottville State School. Across the cluster we will;

- Improve teacher capacity through focused professional development
- Improve student outcomes in reading through the implementation of proven researched based pedagogies
- Implement instructional leadership and data analysis for improvement in reading across the cluster.
- Implement Sharrat & Fullan’s Parameter 2 – Engaging a literacy mentor, Parameter 5
- Identification of students in P-3 requiring reading intervention and Parameter 7 – Working across the cluster to build staff capacity
- Implement High Yield strategies from John Hattie’s Visible Learning - Repeated Reading Comprehension programs and Coaching, explicit instruction and feedback.

Our school will improve student outcomes by

- Improve teaching capability of staff and student outcomes through focused literacy mentoring
  Through a literacy facilitator - $10,000
- Professional development around the explicit teaching of reading and data analysis for staff across the cluster- $2712
- Implement a cluster reading intervention model focusing upon early reading development and the improvement of student outcomes through professional development and support with appropriate resources.- $5000
